

Grass Roots Recycling to Reuse Network, LLC.

October 3, 2025

October Updates!

- ❖ **GRASS ROOTS** has finished its 3rd farm building reclamation project and **started its 4th project near Stony Ridge**. We continue to amass a growing inventory of 100 + year old slow-growth hardwood for local woodworkers, contractors, builders, etc. Give us a call if you need 1 board or have bulk needs.
- ❖ **We Have New Space!** **GRASS ROOTS** is expanding into larger space at Dixie Highway (Rte. 25) and Dowling Road in Perrysburg Township. This space will allow us to consolidate our wood storage and processing operations and open a future retail store. In the interim, we remain in our current space at 108 E. 2nd St.
- ❖ A heartfelt **THANK YOU** to everyone we met this year during our sidewalk sales on Farmers' Market Days. We truly appreciate your encouragement and support in building a community-based "recycling to reuse" network. We continue to seek donations of recyclable materials and "reconstructors" willing to transform reclaimed wood and/ other recyclables into creative and unique repurposed products that we sell on consignment.
- ❖ **Sign up now as a free MEMBER of GRASS ROOTS** and we will keep you posted of our fall and Christmas season special events and offerings! Have a special need or want a personalized gift for the holidays?? – Give us a call now so we have plenty of time to help you out!

Our 4th reclamation project!
