

Grass Roots Special Event

## Barn Finds & More – Winter Open House

**Saturday, January 31, 2026 | 10:00 AM – 4:00 PM**

### Grass Roots Recycling to Reuse Network

22544 N. Dixie Hwy., Perrysburg, OH

*A Community Open House Celebrating Reclaimed Materials and Creative Reuse*

Join us for a winter open house at Grass Roots, where we're sharing materials recovered through our barn teardown work. From weathered boards and beams to unexpected finds, you'll get a closer look at what's been collected and how it's prepared for reuse.

Stop by to explore, ask questions, and imagine what reuse can become.

### Special Feature

Meet local metal artist **Logan Risch**, who will be on site sharing her reclaimed metal artwork and creative process.

### Find Us

Grass Roots is located on N. Dixie Highway in Perrysburg Township, just north of Bowling Green and a short drive from I-75. Look for our signage along the highway near the intersection of Dixie Highway and Dowling Road. Plenty of parking available on site.
